 Only two Players are permitted in each buggy.
 Please deposit rubbish in the rubbish bins.
 Respect the boundary fencing which surround the course and do not lift or jump over them.

LOCAL RULES

- All of the following obstacles are considered immovable obstructions:
 The ball may be dropped a club's length without penalty, but no nearer to the hole, in accordance with the rule 24.2:
 - All asphalted roads.
 - The columns on the 8th hole.
 - All the manholes, water sprinklers and collection chambers.
 The only exceptions to rule 1 are other paths, natural paths and the walls which are understood to be integral parts of the course.
- Stone in bunkers may be removed if they interfere with the playing of a stroke.
- The ball may be dropped without penalty from all drainage channels.
- In the event that the stake or ropes which surround the greens interfere with the playing of a shot, "It is compulsory to drop the ball one club's length, but no nearer to the flag" (without penalty).
- The ball may be placed on the fairway.
